hello!

SO NICE TO MEET YOU!

THANK YOU FOR TAKING THE TIME TO GET TO KNOW US!

We deeply appreciate your brave decision to consider adoption. This choice reflects the immense love you have for your child, and we are in awe of your strength.

Though your journey is challenging, please know that your baby will be cherished and loved beyond measure. We are grateful for the opportunity to welcome your child into our lives and promise to provide a nurturing, supportive environment filled with love and laughter.

You will always hold a special place in our hearts, and we are committed to sharing your story, ensuring your child understands the love that brought them into this world.

our STORY

We are high school sweethearts who met in German class, and our journey together has been filled with love and growth. After graduating, we both stayed in Cincinnati—Allison pursued her bachelor's degree while Hank worked for his uncle's landscaping company. Over the years, Allison transitioned to a program manager role and continued her education online for her graduate degree, while Hank became the hardscape foreman, managing all their projects with passion. In 2012, we welcomed our son, Owen, into the world, and that same year, we celebrated our marriage after a beautiful engagement.

Although Owen faced some health challenges, we made the heartfelt decision to focus on our family's well-being, realizing that expanding through adoption was the right path for us. Last year, we took an exciting step by purchasing our first home—a spacious five-acre property where we can raise goats and cows. This home offers us the space to grow as a family, and it feels like the perfect place to welcome new siblings for Owen. With so much love in our hearts and a strong desire to share our lives with more children, we are ready to embark on this beautiful journey of adoption.

meet Allison

Allison is a devoted mother, loving partner, and passionate advocate for family. After meeting her high school sweetheart, Hank, she has built a life filled with love and shared dreams. With a bachelor's degree and a graduate education under her belt, Allison works as a program manager, balancing her career with her commitment to her family. Allison's work allows a hybrid schedule where she gets to work 3 days a week at home and 2 days a week in the office.

Her greatest joy comes from being a mother to her son, Owen, and she has always envisioned a larger family. Allison loves gardening, especially flowers, and finds joy in nurturing her plants and creating beautiful outdoor spaces. She also enjoys reading and cooking, often experimenting with new recipes to share with her loved ones.

With a warm heart and an open mind, Allison is excited about the journey of adoption, eager to provide a nurturing home filled with laughter, support, and endless love. She values open communication and deep connections, and she is ready to embrace the beautiful adventure of welcoming new children into her life. Her strong sense of community, love for animals, and commitment to family make her a nurturing and inspiring presence, ready to share her heart and home with a growing family.

His passion for working outside reflects his love for nature and hands-on projects. Family is at the heart of everything Hank does. He enjoys taking his family out on the boat, creating cherished memories on the water, and attending sporting events together, fostering a spirit of fun and togetherness.

Hank believes in the importance of strong family bonds and is excited about the journey of adoption, eager to welcome more children into their loving home. With a warm and playful spirit, Hank is committed to nurturing a supportive and adventurous environment for his family. His love for building, combined with his family-oriented nature, makes him a dedicated and inspiring presence in the lives of those he loves.

meet Owen

Our 12-year-old son, Owen, is a bright light in our family. He has always dreamed of having a sibling and is incredibly excited about the possibility of becoming a big brother. Owen is caring and outgoing, and he brings so much joy to everyone around him.

He loves spending time with his friends and family, whether it's playing games, exploring the outdoors, or simply hanging out together. His bond with his new nephew has been wonderful to see; he's already the best big cousin, showering him with love and attention.

Owen can't wait to share his heart, adventures, and all the fun that comes with being a big brother. We know he will be an amazing role model and friend!

our Family

Family is everything to us, and we're fortunate to have a wonderful support system. We're very close to Hank's aunt and uncle, along with their two daughters, who bring joy and laughter to our lives. Hank's sister, her husband, and their son also play a significant role in our family gatherings.

Both sets of grandparents are actively involved and share their love with us. Allison's mom and stepdad join us every year for our cherished beach vacations, creating special memories together. Hank's dad is another important figure in our lives, always ready to share in the fun.

Together, we create a loving and supportive environment, and we can't wait to welcome another little one into our close-knit family, where love and laughter abound!

our Home

We're excited to share a glimpse of our cozy home! We live in a spacious 5-bedroom ranch on 5 acres, where there's plenty of room for fun and adventure. Our big, fenced-in yard is perfect for Owen and our dogs to play freely, making it a great space for outdoor activities.

Allison loves cooking in our large kitchen, where family meals come to life. We have a welcoming living room and a finished basement that provide plenty of room for family gatherings and for kids to play together. Owen and the baby will each have their own rooms and a shared bathroom, ensuring everyone has their own space.

Despite our peaceful surroundings, our home is conveniently located near everything we need. With 5 acres, there's plenty of room for us to raise all kinds of animals. Our large driveway is perfect for the kids to learn to ride their bikes and draw with chalk, creating endless memories. We can't wait to fill our home with more love, laughter, and the joy of family!

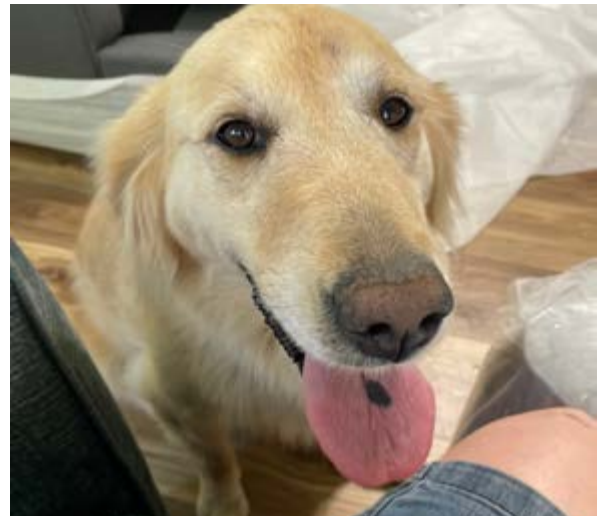

our Pets

We're proud to share our home with a wonderful mix of pets! Our three golden retrievers—Thor, Gemora, and Loki—are loyal companions who are fantastic with kids. They bring so much joy and energy to our family. Our cat, Rocket, adds to the fun, and the dogs all get along beautifully!

In addition to our dogs and cat, we have a bearded dragon named Flame and a couple of snakes, making our home a lively place filled with curiosity and love for animals. Outside, we care for a friendly barn cat who keeps us company, as well as our herd of mini Hereford cows and a charming group of pygmy goats.

We also raise chickens, providing us with fresh eggs every day. Our passion for animals creates a vibrant, nurturing environment, and we can't wait to share this love of pets with our future child!

Hobbies *and* Interests

We're thrilled to share a glimpse into our life! Family is at the heart of everything we do, and we love spending time together, creating lasting memories. Every fall, we host an annual pig roast, where friends and family gather for delicious food, laughter, and good times. It's a celebration we look forward to each year!

Thanksgiving is another highlight, as we welcome Hank's large family into our home. The joy of sharing a meal and catching up with loved ones fills our hearts with gratitude.

We also cherish cozy movie nights, snuggled up with popcorn and a good film, enjoying each other's company.

Our lives are filled with adventures, from boating and working on our mini farm with our playful goats and mini Hereford cows to cheering on our favorite sports teams and fishing together. Each moment is a chance to share our love for nature, fun, and family values. We can't wait to welcome a little one into this beautiful, loving world!
