Your courage and love are deeply appreciated, and we are committed to honoring your heart and the beautiful choice you are making. We look forward to the possibility of connecting with you and sharing this journey together.

ABOUT US

We have been blessed to grow up together in the same church, where our roots run deep. Our journey as a couple began in 2013 when we started dating, and we celebrated our marriage in the midst of the Covid pandemic in 2020. Our relationship has blossomed from a strong friendship into a beautiful marriage, filled with love and support. Both of us began our careers around the same time—Olivia as a dedicated teacher and Blake as a committed police officer. We are passionate about serving our community and are actively involved in our church as youth leaders. Together, we have led numerous trips and activities, creating meaningful experiences for the youth we mentor. Family time is incredibly important to us. We cherish our regular date nights, exploring new restaurants and cuisines, as well as cozy evenings spent at home together. We believe that these moments strengthen our bond and prepare us for the family we hope to grow.

Our Family & Values

Blake and I have been deeply involved with our church for the past 28 years, having been raised in a community that values faith and service. Attending church every Sunday and participating in community events has shaped who we are today. We are passionate about pouring our love and time into the youth group, guiding them as they navigate the challenges of life. It brings us joy to support and mentor the next generation, helping them grow in their faith and character. Our lives and marriage are centered around prayer and biblical values. We believe that every day is a new opportunity for growth and that grace is essential in our relationships. Joy and peace from God serve as our greatest defenses against life's challenges, and we strive to embody these principles in our daily lives. As a family, we are always looking for ways to love those around us and lend a helping hand to those in need. We believe that serving others is a vital part of living out our faith, and we look forward to sharing this commitment with our future family.

Our Community

We are blessed to have a vibrant community made up of family, friends, and church members in the Cincinnati area, where we have lived our entire lives. Our family is one of our biggest and most consistent support systems, providing love and encouragement as we navigate life together. Olivia's family lives nearby, and we cherish spending quality time with them almost every weekend. They are always just a phone call away, ready to lend a helping hand or share in our joys. Blake's family resides in Florida, and we make it a point to visit each other throughout the year. Whether we travel to their warm state or they come to Ohio during the colder months, these visits are filled with love and laughter. Additionally, our friends from church form a strong support network, enriching our lives with their friendship and encouragement. Together, we are surrounded by a loving community that values connection and support, and we look forward to sharing this with our future family.
